Trail Master Report

- Gary reported that the rec trail is now paved all the way to Division Rd. He was hoping that it wouldn't be paved before winter
- RR grades need attention—trees/brushing
- New trails in/out process. Please follow this simple plan that is in process.
- If your signs need repair you have waited till fall to fix them, please repair before trails in.
- Diane Stormoen asked Gary if there were any new land owners or changes. Gary said there are none known.

Old Business

- The lawnmower has been in the shop twice and takes a while to get it repaired. The county picked it up, took it to Feldmann's and returned after repair. Dave Rowley from the Plymouth Snow Rangers cut our portion of the rec trail while the mower was in for repairs. Eric talked with someone from the county. The clubs that cut the rec trail do not make any money, that by us cutting the grass, we can use the trail for snowmobiling. This was something that was initially decided when the rec trail was in the makings years ago.

- Need someone to inspect the groomers for any faults.
- The summer picnic was a success. Eric Klemme thanked Katie Schamberger for her park clean-up of sticks.
- There was 10-12 trees down at the shed after front line winds went through Greenbush. Tree clean up went well. Thank you to Jamie, Joe and Bill for all your hard work and anyone else that was there to help. After the trees were down & cleaned up Joe came through with his broom & it really looks good. More work will need to be done.
- Looking for a vintage sled as the Ski-Doo at the shed took a hit during the storm.

New Business

- The groomer schedule will be out for sign up in October.
- Need/want list for the shed. If you know of something we need please let us know.
- Ray Kultgen might be able to secure some fire extinguishers for us to have at the shed.
- Christmas Party is December 5th at Winooski
- Club Trip is at Rustic Manor in St. Germain—1/20 – 1/23
- Our refrigerator at the shed is on the fritz. The club needs to find a different one. Bill Mueller mentioned that he might have one to donate.
- Eric will find out if there is a forestry meeting in September.
- Registration and insurance are still in the process for the UTV. Larry Schamberger is looking into the registration part. He cannot do it online and the closest DNR office is Oshkosh.
- Eric will follow up with the insurance part of the UTV.
- Our next meeting is October 7.
- Diane Stormoen won the door prize.
- Wayne Limberg made a motion to adjourn the meeting. Meeting adjourned at 7:42 pm

Respectfully submitted,

Diane Stormoen, Secretary
