NKM Meeting

- Meeting was held at Mirror Bar
- Let's Ride Event in Oshkosh was discussed. No one attended from our club.
- 504 were in attendance at the convention
- AWSC switched up life insurance. They should not bother anyone to come visit.
- Hospitality room for spring convention in Elkhart Lake was discussed.
- June 20th was breakfast on the farm
- Next meeting is September 17 hosted by New Fane at the Rusty Spur

Trail master Report

- Trail from Greenbush to Glenbeulah. DNR says it's in a master plan in the future for maybe travelling on State land on County Road A. Joe talked to land owners with no success. There was talk of going straight east of Joe Wagner's property.
- There is a DNR Meeting with Travis Mueller on October 13 at 5pm.

- If someone could volunteer to take over a section of trails that would be great help. Al Michaels indicated he could help.
- Please remember to let members know when marking trails so it can be shared in an email.
- There were a few volunteers wanting to learn the grooming and they only went out twice because of lack of trails being open.
- Gary ordered 35 galvanized posts for stop signs. He indicated we use wooden posts in the farmer fields in case one breaks and is not seen when the farmer is working the land or harvesting. Does less damage to their equipment than if they were metal. Bill Graf likes making the wooden ones for us.

Old Business

- Thank you to all the volunteers that cut the rec trail this summer. It should be winding down soon. The mower will need oil change and new blades for sure. Specify filter change as they won't change automatically with an oil change.
- Status of Wide Open Event—more volunteers for Saturday -9 to 1 and 4-7. Kerry Longrie will know by Monday if the broadcast trailer will be available. Al Michaels also mentioned he would have a trailer available also.
- The club has received a ticket tumbler for pulling winners for the brat fry cash raffle.
- Club purchased a new laptop for the treasurer, Tom Lohr.
- Regarding parades. The Greenbush Parade we had 4 volunteers. The Elkhart Lake parade we did not go because no on volunteered.
- Larry wanted to clarify that the picnic tables were repaired by a Town of Greenbush employee who happens to be a fireman. Those expenses to repair were covered by the towns' park fund, not the Fire Dept.

New Business

- Larry would like to utilize the steel from the old roof on the walls in the shed w/insulation.
- Larry would like to replace the power tools at the shed. Most of the batteries are junk. He would like to go the Milwaukee Tool route and get warranties with the tools. Maybe we could get a non-profit deal? Some new tools needed would be a saw all, grease gun, impact wrenches/drivers, flashlight, and starter pack.
- AWSC Workshop is in Manitowoc on October 23 – 25th. Please let us know if anyone wishes to attend.
- Al Michaels will head up the Plymouth Parade again this year in Plymouth. The date is November 27. Please consider volunteering.
- Status of club trip 2027. Cody did not have an update of how many made reservations so far.
- October 3rd is the Chris Wagner memorial fundraiser event in Parnell. Our club will make a basket for the event. Diane Stormoen will take care of that.
- Cody will be drawing the member only raffle in October. Cody talked about re-vamping the dollar amount for tickets.

- Door prize: Diane Stormoen
- Diane Kabat made a motion to adjourn the meeting, Jim Limberg seconded the motion. Meeting adjourned at 8:04 pm

Respectfully submitted,

Diane Stormoen, Secretary
