- More information received regarding the breakfast on the farm in June. It was found out there are different levels of donations. Sheboygan county clubs can donate \$50 or \$100. The event will be in the south western park of the county. Details will be coming in regards to specific location. Nancy Kultgen made a motion that the club should donate at the \$50 level. Nathan Luedtke seconded. Motion carried. The members then discussed that we should make it \$100. The motion and second was rescinded and Nancy Kultgen made another motion to donate at the \$100 level. Wayne Limberg seconded. Motion carried.

Trail Master Report

- The land owner list is signed.
- A big thank you Al Michaels for helping Gary Mallmann smooth out the plowed fields.
- All crossings on Hwy 23 are going to be tight. Eric mentioned that he spoke with Jason to have 2 gates made wider for the club. Gary mentioned that we definitely need to cross the highway at an angle or don't go across. Maybe the best way would be is groom from both ways, but not cross Hwy 23.
- Remember to always pick the groomer up when crossing roads.

- Trail marking is not halfway done yet. Next week is going to get cold so we need to get the trails marked.
- The Marsh Park needs marking—Eric will work at that. Joe Petrie said he got some of the boat landing marked. Stempers have fresh manure. The railroad beds need to be marked. When doing all trail mark on private land please remember to wear orange as it is muzzle loader season yet.
