- The bridge project is scrapped. Gary and Joe have a solution.
- Grade improvements are on schedule. Replacement for culverts is needed. Some of the old ones are hard to find.

## **Old Business**

- Clean up at the shed is ongoing. If you haven't been there in a while, stop by and see all the changes and work that has been done.
- We need to spend some time leveling the storage container.
- Fiedler will give a quote for driveway.
- Jon from KW Electric can get some lights for the storage container. We need someone to install.
- Rec grass mowing schedule sign-up sheet is available.
- Calvary Wood products brushed out some more grade trail. They suggested we follow up every 5 years.
- Club insurance is new. An inventory of the contents of the shed should be done. If we want quotes from other insurance companies this will be needed.
- The books were audited by Nick & Jodie Schneider. Everything is good.

## **New Business**

- The posts are starting to rot at the shed. Eric Klemme thinks that rain gutters are maybe needed. Steve Theel said there's some loose tin on the roof. It needs some drip edge repair.
- Eric contacted two contractors about gutters. Mathes for \$1,273 and Nyhof was \$1,885. Nyhof would hang the gutters off straps for around \$1,885. Thoughts of ice and snow being too heavy and ripping the gutters off could happen. Nyhof had another option of building out fascia, wrap and attach gutters. This would be stable and solid. Cost would be \$3,544.
- Dave Morse says that maybe getting gutters is not the problem. Sometimes water seeps in from the doors. The gutter discussion was tabled until September meeting.
- Trails out is in progress.

- If you know of any items needed for the shed please add to the “Wish List” at the shed.
- The radiator needs to be repaired on the short track groomer. We will fix this during the summer.
- We are looking for folding chairs to have at the shed. If anyone has any to give away or if you find some cheap buy them.
- GPS units are working.
- The summer picnic will be August 21, 2022.
- The Christmas Party is December 4, 2022.
- The club trip is January 26-29, 2023 in Dunbar.
- Lyle Zimmermann brought up that Winooski is raising their rent in 2023 to \$150.
- Eric gave an overview of the 2021-2022 snowmobile season. He thanked everyone for all their help they provided to keep this club going.
- Diane Stormoen asked if we would be donating to the Greenbush Fire Department for the use of the firehouse and conference room for the brat fry. Brent Klemme made a motion to donate \$250 to the Greenbush Fire Department. Wayne Limberg seconded the motion. Motion carried.
- Lynn Reich won the door prize.
- Wayne Limberg made a motion to adjourn the meeting. Meeting adjourned at 8:00 pm

Respectfully submitted,

Diane Stormoen, Secretary
